Note regarding Clear Decals

Under **most circumstance** any colors must be **backed with white** to prevent the

colors from appearing “washed out.” The white can back-up **just the art** or the entire background. In cases where the graphics or copy is **thin or small**, a “**halo**” print may be required.

The Visigraph 100% Satisfaction Guarantee

We pay **careful attention** to every detail on every order we receive, and our **100% Satisfaction Guarantee** is just what it says...you’ll love our decals or we’ll re-do them. It doesn’t happen often, but hey, we’re human too! Rest assured, though, that if it does, we’ll fix’em free of charge and with **no hassle**.

Calculating the size of your Static Cling Decal and Sticker

Length x Width = Number of Square Inches. For example, if you have a decal that is 3” x 5” simply multiply **3 x 5 = 15 square inches**.
