## Wholesale Wind Resistant Perforated Mesh Vinyl Banners - Cheap for Brokers and Resellers

Digitally Printed **Perforated Mesh Vinyl Banners** are typically used for outdoor advertising at events where some wind slippage is required to keep the banner from becoming a large sail. These banners are almost exclusively used for outdoor events and advertising.

### Product Features and Options

**Perforated Mesh Vinyl Banners** are available with the following options and/or features:

- **FREE set-up on most banner printing**
- Hems and/or Grommets
- **Pole Pockets**
- Rope
- **Hem Reinforcement**
- Orders ship in approx. 3 - 5 working days
- **Rush Orders & Expedited Shipping**
- Note: We cannot guarantee exact color matching for all Pantone™ colors

## Where to Use Mesh Vinyl Banners

**Mesh Vinyl Banners** are mainly used for:

- **Outside Trade Shows & Conventions**
- Outside Sporting Events
- **Between Pole Advertising**
- Over Street Event Promotion
- **And more!**

## Large Quantity Quotations

If you need **large** quantities of banners, **call us** at 509-483-8000, **email** our sales department directly at [sales@visigraph.com](mailto:sales@visigraph.com), or **fill out** our **Get A Quote** form.

## The Visigraph 100% Satisfaction Guarantee

We pay **careful attention** to every detail on every order we receive, and our **100% Satisfaction Guarantee** is just what it says...you'll love our banners or we'll re-do them. It doesn't happen often, but hey, we're human too! Rest assured, though, that if it does, we'll fix'em free of charge and with **no hassle**. These banners are warranted for 3 years against sun-damage (i.e. fading). No warranty is offered, written or implied, against weather damage or wind damage.

## Calculating the Size of your Mesh Vinyl Banner

**Height x Width** = Number of Square Feet. For example, if you have a banner that is **5ft. x 5ft.- 5 x 5 = 25 square feet**
